

Assembly and Operation

- 1. Connecting RainbowMate And Electrified Hose Handle:**

- 2. Making The Electrical Connection:**

Important Safety Instructions. Retain For Future Use!

Please read all instructions carefully before using unit.

WARNING — To reduce the risk of electric shock, or injury, when using an electrical appliance, basic precautions should always be followed, including the following:

WARNING — Electric shock could occur if used outdoors or on wet surfaces.

1. Do not put any objects into openings.
2. Do not handle plug or RainbowMate with wet hands. Do not use with any openings blocked; Keep free of dust, lint, hair, and anything that may reduce airflow.
3. Keep hair, loose clothing, fingers, and all parts of the body away from openings and moving parts.
4. Use extra care when cleaning on stairs.
5. Close supervision is necessary when any appliance is used by or near children. Do not allow your RainbowMate to be used as a toy or to run unsupervised at any time.
6. If RainbowMate is in disrepair, do not attempt to operate.
7. Do not pick up anything that is burning or smoking, such as cigarettes, matches or hot ashes.
8. To avoid the possibility of fire or explosion, do not use your RainbowMate in areas where flammable and/or explosive vapor or dust is present. Some cleaning fluids can produce such vapors. Areas where flammable cleaning fluids have been used should be completely dry and thoroughly aired before being vacuumed.
9. In addition to the listed warnings and instructions, follow all instructions and observe all conditions and warnings contained in your **Rainbow** Owner's Manual.

Servicing of Double-Insulated RainbowMate RM-2E

Servicing a double-insulated appliance requires extreme care and knowledge of the system and should be done only by qualified **Rainbow** service personnel. Replacement parts for a double-insulated appliance must be identical to the parts they replace.
